

- First training for “Mud Brick Making” held at three villages of Mirpur Khas.
- 10 women will be manufacturing and supplying Mud bricks.
- Young girls also participated in the training and displayed great interest in brick making.
- Many other women present were interested in attending trainings for Chulah, Platforms and Lime Slaking
- It was observed women faced difficulty in handling a 4 brick mould, hence it was advised women use a single brick mould which is easily available in the market.
- Trainer Sara and husband Village Moak Sharif conducted the training of brick making.
- HF’s Naheem Shah and Sumaira conducted the training on CBDRM Modules.
